PARKER ARTS

WWW.PARKERARTS.ORG

While valuable businesses like yours are most certainly the backbone of our remarkable community, we believe you'll find Parker Arts is the heart.

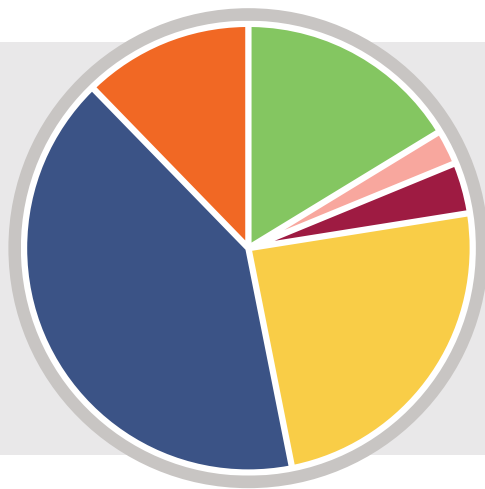

Not only does Parker Arts contribute to our town's economic vitality* by providing access to high quality entertainment and enrichment programs; it also provides the opportunity to engage with our community, a spot to connect with friends and family, and a place to reflect and relax.

LAST YEAR,
PARKER ARTS...

- Warmly welcomed more than **150,000** neighbors and guests to our facilities.
- Hosted nearly **300** engaging performances including national artists like Melissa Etheridge and local favorites like the Parker Symphony Orchestra, Parker Chorale and Colorado Jazz Repertory Orchestra.
- Presented more than **80** educational shows to nearly **10,000** patrons, including **4,500** local area students, teachers and parents.
- Offered **400** enrichment classes and camps to more than **22,000** participating kids and adults.

The list goes on, but the profound generosity of individuals, foundations, small businesses and corporations like yours is what makes our work possible. We need your help to operate in the current environment and plan for the future so that we can protect and sustain the arts in Parker and continue our cultural and economic growth.
