As part of the On Pointe dance family we dance to express ourselves, find an outlet for creativity, and connect our minds and bodies. On Pointe has been in the business of encouraging dancers to become the best individuals they can be for 18 years. We believe that a balanced life is the best way to live, so we teach for the love of the art and not competition. Our teachers are well-trained in dance, but more importantly have a passion for teaching. Come see what we are all about.

Our dancers have the unique experience of performing on the PACE Center stage in our end of semester recital, Clara's Dream (some classes do not participate in this recital and are described as such). A \$35 costume rental fee is made payable to On Pointe the first week of class. Classes start August 9 and end December 10. There are no classes on September 6 (Labor Day), or November 24, 25, or 26 (Thanksgiving Break). Performance week is November 29.

Wilder is a rambunctious and willful child with energy to spare. Like his hero Max from Where The Wild Things Are, Wilder struggles with minding authority and navigating issues of anger. He is certain life would have been better if rather than a boy, he had instead been born a "wild animal of the jungle." So he has decided to be one. Wilder's Mom does her best to guide her imaginative and headstrong son, but she struggles with the difficulties of being a single mother; having a "wild animal of the jungle" for a son only adds to the pressures. Join Parker Arts for this original children's play by local actor and director, Christopher Willard.
