

## Fabulous Fiber Postcards

This class is for all experience levels. You do not need to know how to sew.

\*\*\* If you have them, please bring a good pair of fabric or paper scissors.

All needles, thread, fusible products, trims, fabric and backing will be provided.

**If you sew and you have the following products you may find it helpful to bring them:**

- A rotary cutter and or good scissors, and a cutting mat.
- A portable sewing machine that you are comfortable using. Thread, needles, etc... if you have it a free motion foot.
- Any trims or fabrics you may want to incorporate into your postcards. This is a great project for your scrap bag or leftover bits of trims, buttons, etc...
- Pins, pincushion and any hand sewing comfort items you might like to have (thimble, etc.)
