YOUTH **SEMESTER DANCE** w/ **THE DANCE CONNECTION**

Art, training, and passion for dance come together at the Dance Connection. We have a 26-year history of providing youth and adults the opportunity to explore dance in a non-competitive environment with teachers who are invested in the personal growth and self-esteem of each student. Our dancers have the unique experience of performing on the PACE Center mainstage in our end of semester performance (some classes do not participate in the performance and are described as such). Costume fees are made payable to the Dance Connection the first week of class.
